WELCOME TO EVOLUTION

This booklet is designed to provide you with the information that you will need before, during and after the event. If there are any questions before the event please email us on info@s-e.org.uk or at the event, ask someone in S&E hi-vis or who is wearing a yellow S&E necker.

BEFORE YOU COME

THE VENUE

Cirencester Park is the venue for our event. There are over 3,000 acres with a mixture of woodland and fields; plenty for everyone to get lost in! Our site has moved slightly again this year so please follow the directions. Treat the site with care and respect – it's not our land.

ARRIVALS

The site will open at midday on Friday. Arrival time is always very busy due to the single track leading to site so please consider sharing lifts with others from your group or using a minibus. On arrival you will be directed to the camping area. Your group leader can check-in your group at the admin tent, where they will receive your wristbands. Teams must be finalised before 9pm on Friday.

SETTING UP

It is essential that we keep the number of tents you bring to a minimum; otherwise we will not have enough space for activities. Please do not bring additional mess tents or similar shelters unless you have pre-booked, please note that tags will be handed out to those who have paid for shelters. Vehicles will not be allowed on camping areas even for unloading.

A supply of drinking hot water will be available from the hot water tent near Admin. For safety reasons, there will be no open fires, personal stoves, or barbecues.

FOOD

All dietary requirements must be provided by June 1st. Dietary requests made after this time can unfortunately not be guaranteed. Food will be served from the catering area at the times specified in the programme. We encourage the use of reusable crockery and utensils on site as these are not provided.

WASHING UP

Hot water and washing up bowls will be available by the washing up area. Groups may wish to bring their own washing up bowl, liquid & sponges to ease queueing. These facilities are to be used for personal eating equipment only. Groups will need to provide tea towels.

EVOLUTION MERCHANDISE

There will be loads of S&E branded items to buy from pens and badges to neckers and t-shirts. So don't forget a bit of spending money! You can see a selection and pre-order online at shop.s-e.org.uk. Pre-ordering ensures the items you want are available as we often sell-out of popular sizes and colours. Pre-ordering will also give you the chance to personalise items until the 15th May. Any items pre-ordered can be picked up from the Shop – opening times will be displayed outside.

THE CAFÉ

There will be a café on site, serving a range of hot and cold food & drinks. There will be a selection of healthy alternatives as well as some of the classic S&E sweets & treats! This will be open throughout the weekend – opening times will be displayed outside. If you bring your own mug for hot drinks, we'll even give you a discount!

THE RETREAT

The Retreat is an area for use by those over the age of 18 only. It offers a place to relax, chat and unwind with other leaders and helpers. We will do ID checks on anyone lucky enough to look under 25. No ID, no admittance, no exceptions. To help reduce the amount of waste we produce, we will only be serving out of reusable souvenir glasses. These will be available for one pound each.

ALCOHOL AND DRUGS

Alcohol is only allowed in the retreat area and only drinks purchased in this area may be consumed. The consumption of alcohol by under 18s is not allowed. The event has a zero-tolerance policy when it comes to the use of illegal substances.

HYGIENE

There are toilets on site, with basic hand-washing facilities. Sanitary waste excluding packaging can be placed into the toilets. Hot water will be provided for personal washing, you will need to bring bowls for this.

FIRST AID

Groups are responsible for their own first aid provision for their young people. We do have a medical team for more serious injuries.

INSECT & TICK BITES

Due to the events taking place in fields and woodland there is the risk of being bitten or stung by insects including horse-flies, wasps and ticks. It is important to be aware of ticks and to safely remove them as soon as possible, just in case.

We recommend bringing insect repellent and insect bite creams/clickers & antihistamines as part of your first aid kit.

To reduce the risk of being bitten:

- Cover your skin while walking outdoors and tuck your trousers into your socks.
- Use insect repellent on your clothes and skin.
- Stick to paths whenever possible.
- Wear light-coloured clothing so ticks are easier to spot and brush off.

To remove a tick safely:

1. Use fine-tipped tweezers or a tick-removal tool.
2. Grasp the tick as close to the skin as possible.
3. Slowly pull upwards, taking care not to squeeze or crush the tick.
4. Clean the bite with antiseptic or soap and water.

You don't need to do anything else unless you become unwell.

See a GP if you've been bitten by a tick and you get:

- Flu-like symptoms – such as feeling hot and shivery, headaches, aching muscles or feeling sick, or
- A circular red rash

Always remember to tell them you've been in forests and grassy areas.

RECYCLING INFORMATION

Working together we can help keep Strategy and Evolution litter free. The waste will be collected and transported offsite, where it will be mechanically and hand sorted to segregate it into the different waste streams. Recyclable material will be bulked and baled for onward processing and non-recyclable material baled ready for waste to energy production.

This means ZERO WASTE TO LANDFILL

There will be two segregated collections:

Cardboard: flatten and place into blue wheelie bins labelled 'mixed recyclables'
Plastic, Paper, Tins & Cans: blue wheelie bins labelled 'mixed recyclables'

General Waste: blue wheelie bins labelled "non recyclables". This includes food waste.

Food Waste: blue wheelie bins labelled "non recyclables". You can put any raw or uncooked food in these bins and any of the following:

- ✓ Meat and fish – raw and cooked including bones.
- ✓ All dairy products such as eggs and cheese.
- ✓ Raw and cooked vegetables and fruit.
- ✓ Bread, cakes and pastries.
- ✓ Rice, pasta and beans.
- ✓ Uneaten food from your plates and dishes.
- ✓ Tea and coffee grounds.

If you have any questions, or suggestions, then please ask.

Sports sign up is 6pm -9pm on Saturday evening to play on Sunday.

THE MAIN EVENT

The main event is a jam-packed day of activity bases spread out across the Play Area with young people challenged to learn, lead and achieve!

The main objective will be for teams to complete the bases gaining the most points along the way. Participants will be scored not only on completing bases but on other things like team effort and perseverance too. A friendly guest will also provide the opportunity for teams to pick up bonus points along the way!

There are three awards for the event.

- Highest scoring Overall
- Highest scoring Cubs
- Highest scoring Brownies

EVENT RULES

1. All participants **MUST** stay in their teams for the duration of the event. Failure to do so will disqualify them. If numbers are reduced to fewer than four at any point in the event, then the remaining members may accompany another group.
3. All items in the Event Kit List must be carried or worn. Participants must sign back into Admin on completion of the event.
4. Participants needing to retire may do so at a Zone Centre. The decision to allow a participant to retire will rest with a zone leader, medical staff or the event organiser.
5. Participants must obey marshals, police and event signs.
6. Participants may be accompanied by one leader or young leader if felt most appropriate, though organisers do not believe it is required.

Any accompanying leader/YL may not assist with bases unless there is a pre-disclosed access need. Please email admin@s-e.org.uk if this is the case.

7. All leaders will be assigned a base to assist with. Completion of your shift will result in 10 points per team entered.
8. The organisers' decision is final.
