STRATEGY

Leader's Handbook

2026 | Version 1

WELCOME

Strategy and Evolution are annual camps for young people aged 7-18, in Scouting and Guiding. These multi-activity camps provide 1000s of young people with fun, challenge and adventure, giving them the opportunity to try new things, do the things they love and to meet new people from all over the country.

Cirencester Park is the venue for our event. There are over 3,000 acres of woodland and fields for you to explore; plenty for everyone to get lost in!

This booklet is designed to provide you with the information that you will need before, during and after the event. If there are any questions before the event speak to your leader or email us on admin@s-e.org.uk. For any questions at the event; ask someone wearing a helpers lanyard, wearing a S&E hi-vis, someone who is wearing a yellow S&E necker, or pop into the Admin tent.

Got a question?

Before the event: email admin@s-e.org.uk or speak to your group leader.

On site: look for a S&E hi-vis, a yellow S&E necker, or pop into the Admin tent.

GETTING TO SITE

Cirencester Park

Cirencester Park, Cirencester, Gloucestershire, GL7 7HX

what3words: ///scaffold.snores.defers

Please follow the Strategy and Evolution waymarked route – this will lead you to approach from the Stroud Road.

No access via Daglingworth

There is no access to Strategy and Evolution through the village of Daglingworth. This will be enforced via road closures.

On arrival at the site there will be a one-way system in operation. Please follow the signs and directions of the marshals. There may be queues when arriving or leaving the site we welcome your patience during this time. Exit from site is a left turn only.

Please note there may be the need for us to stop traffic for the safety of the young people on site. At this time no vehicles will be able to move. We welcome your patience during these times.

No dogs on site

No dogs are allowed on site. This includes drop-off and pick-up.

Coaches

If you are planning on arriving by coach, please ensure that you have informed us in the travel survey, or email admin@s-e.org.uk. We do not have the facility for coach drivers to take their tachograph breaks on the S&E site.

On arrival

The site will open at midday on Friday, you will not be able to access the camping field before this. Please talk with your group about the time that you would like them on site. Arrival time is very busy due to the single track leading to site so please encourage lift sharing where possible to help minimise queues.

On arrival you will be directed to the camping area. Camping fields will open from the far end of the field, each field must be filled before the next field is open. There will be S&E helpers around to support this.

If you have a blue badge, please make sure it is clearly visible on your dashboard.

ON SITE

Checking in

Check in is open in Admin from midday Friday. We require one leader to check in. Before heading to check in, please make sure that you know where you are camping. Here you will receive a summary sheet, wristbands (please make sure the right wristband goes to the right person), event maps and if pre-booked a shelter tag.

All walking groups must be confirmed by 9pm. If there are any changes, please let us know so we can ensure groups are accurate on the system.

You will only be able to check in if all health forms have been completed and leaders have signed up to jobs.

Setting up

It is essential we keep the number of tents to a minimum to ensure everybody has enough space. Please do not bring additional shelters unless you have pre-paid for them. Vehicles are not allowed in the camping area.

Job shop

We have a dedicated team of helpers who keep the cogs turning but without your help we wouldn't be able to run all the activities and checkpoints throughout the weekend.

To run the event effectively, we need all leaders and young leaders to help at a base on the Saturday and one other job during the weekend. If all leaders volunteer to help, there should be a surplus on each base allowing you to have time to explore the bases and maybe even meet your teams for lunch!

Need extra support?

If you or young person have any specific needs or require assistance please email admin@s-e.org.uk and we will do what we can to find a suitable role.

WATER

Hot water

Hot water and washing up bowls will be available by the washing up area. Groups may wish to bring their own washing up bowl, liquid and sponges to ease queueing. These facilities are to be used for personal eating equipment only, there are personal wash facilities available. Groups will need to provide tea towels.

Showers

Showers will be available on site. There is a small charge of £2.50 (cash or card) to use these, which goes towards fundraising for scouting trips for Gloucestershire Scouts.

Drinking water

Drinking water is available from various points on the site and at the hubs during the day on Saturday. Please use this carefully and if you spot something that's broken please let us know so we can fix it.

FACILITIES

The Retreat

The Retreat is an area for those over the age of 18 only. It offers a place to relax, chat and unwind with other leaders and helpers.

In the day, the retreat offers hot drinks and a quiet area to sit.

In the evening our resident land lady will open the bar to provide alcoholic and non-alcoholic refreshments. We challenge 25, no ID no admittance.

To help reduce the amount of waste we produce, we will only be serving out of reusable souvenir cups. These will be available in the Retreat.

The Retreat is card only.

The Café

There is a café on site serving a range of hot and cold food and drinks. There will be a selection of healthy alternatives as well as some of the classic S&E sweets and treats! This will be open throughout the weekend - opening times will be displayed outside the café.

Please note: whilst we take every care to reduce the risk of cross contamination, the Strategy and Evolution Café is unable to guarantee a completely allergen free environment as food containing allergens are prepared within the café.

Chill Tent

During the weekend the chill tent is available as a quieter space on site for both adults and young people. It's an area to wind down and relax with access to our inclusion team to talk to about any worries or issues you may have. The team are also there to talk through an inclusion queries that leaders may have.

Strategy+

Strategy+ is your exclusive hub for Explorers and Rangers, offering a night of unforgettable entertainment. Kick off Friday with the **Neon Run** – a dazzling silent disco experience complete with sumo suits, ice cream, and a mystery inflatable that adds an extra surprise to the evening. Don't forget to bring a plain white shirt so you can decorate it with our neon pens! Saturday brings the **Summer of 26** celebration featuring live music, games with amazing prizes, sports inflatables, and an indulgent chocolate station. Whether you're looking for high-energy fun or a place to hang out with friends, Strategy+ is the place to be.

Shop

There will be loads of S&E branded items to buy from pens and badges to neckers and t-shirts. So don't forget a bit of spending money! You can see a selection and pre-order online at shop.s-e.org.uk. Pre-ordering ensures the items you want are available as we often sell-out of popular sizes and colours. Pre-ordering will also give you the chance to personalise items. Any items pre-ordered can be picked up from the Shop – opening times will be displayed outside.

Lost & Found

If you lose an item during the weekend, hand it in to someone at Admin or at one of the Hubs during the Main Event.

Collection of lost items is available from Admin, though please note this may not always be possible during busy times (such as during check-in on Friday or when participants are returning from the main event on Saturday).

When handing in or retrieving items, please:

- Describe the item clearly so we can help identify it
- If you've lost cash, provide the amount, denomination, and the location where you lost it

After the event: Items will be kept for a minimum of one month following the event. Post-event items can either be collected or posted to you at cost. Any items not collected or arranged for posting after this period will be disposed of or donated to a non-related charity.

Sports

Once on site don't forget that you can register to enter the sports competitions at the admin tent.

Sports sign up is 7-9pm on Saturday evening in Admin to play on Sunday during the fayre.

MAIN EVENT

The main event is a jampacked day of activity bases spread out across the Play Area with challenging you to learn, lead and achieve!

The main objective will be for your teams to complete the bases gaining the most points along the way. Participants will be scored not only on completing bases but also on aspects such as team effort and perseverance too.

Event rules

1. All participants **MUST** stay in their teams for the duration of the event. Failure to do so will disqualify them. If numbers are reduced to fewer than four at any point in the event, then the remaining members may accompany another group.
2. All items in the Event Kit List must be carried or worn. Participants must sign back into admin on completion of the event.
3. Participants needing to retire may do so at a Hub. The decision to allow a participant to retire will rest with a Hub Leader, medical staff or the Event Organiser.
4. Participants must obey marshals, police and event signs.
5. The organisers' decision is final.

HEALTH & SAFETY

Site phone (emergencies only)

01285 505 404

Each group must have its own emergency contact, please let your young people know who this is.

First aid

In the first instance, leaders are responsible for first aid. If required, there is a medical team on site for more serious injuries.

Alcohol and drugs

Alcohol is only allowed in the retreat area and only drinks purchased in this area may be consumed. The consumption of alcohol by under 18s is prohibited.

The event has a zero-tolerance policy towards the use of illegal substances.

Smoking and vaping

We are a smoking free site, therefore no smoking or vaping is permitted on site. There is a designated smoking area in the retreat available throughout the weekend.

Insect & tick bites

Due to the events taking place in fields and woodland there is the risk of being bitten or stung by insects including horseflies, wasps and ticks. It is important to be aware of ticks and to safely remove them as soon as possible, just in case.

We recommend bringing insect repellent and insect bite creams/clickers & antihistamines as part of your first aid kit.

- To reduce the risk of being bitten:
- Cover your skin while walking outdoors and tuck your trousers into your socks.
- Use insect repellent on your clothes and skin.
- Stick to paths whenever possible.
- Wear light-coloured clothing so ticks are easier to spot and brush off.

To remove a tick safely

1. Use fine-tipped tweezers or a tick-removal tool.
2. Grasp the tick as close to the skin as possible.
3. Slowly pull upwards, taking care not to squeeze or crush the tick.
4. Clean the bite with antiseptic or soap and water.

You don't need to do anything else unless you become unwell.

See a GP if you've been bitten by a tick and you get flu-like symptoms (such as feeling hot and shivery, headaches, aching muscles or feeling sick) or a circular red rash. Always remember to tell them you've been in forests and grassy areas.

Missing person

In the event of a missing person, please make your way to the admin tent. Here we will take down some key details. We will then ask you to go back out and continue looking. If you find the young person please come and let us know. If after 10 minutes you have not found them please return to admin.

Wristbands

Everyone on site must have a S&E wristband. Leaders should challenge people without one, and escort them to admin. If you feel unable to challenge somebody, please ask an S&E volunteer.

Prohibited Cooking & Lighting Equipment

For safety reasons, the following are **not permitted** on site:

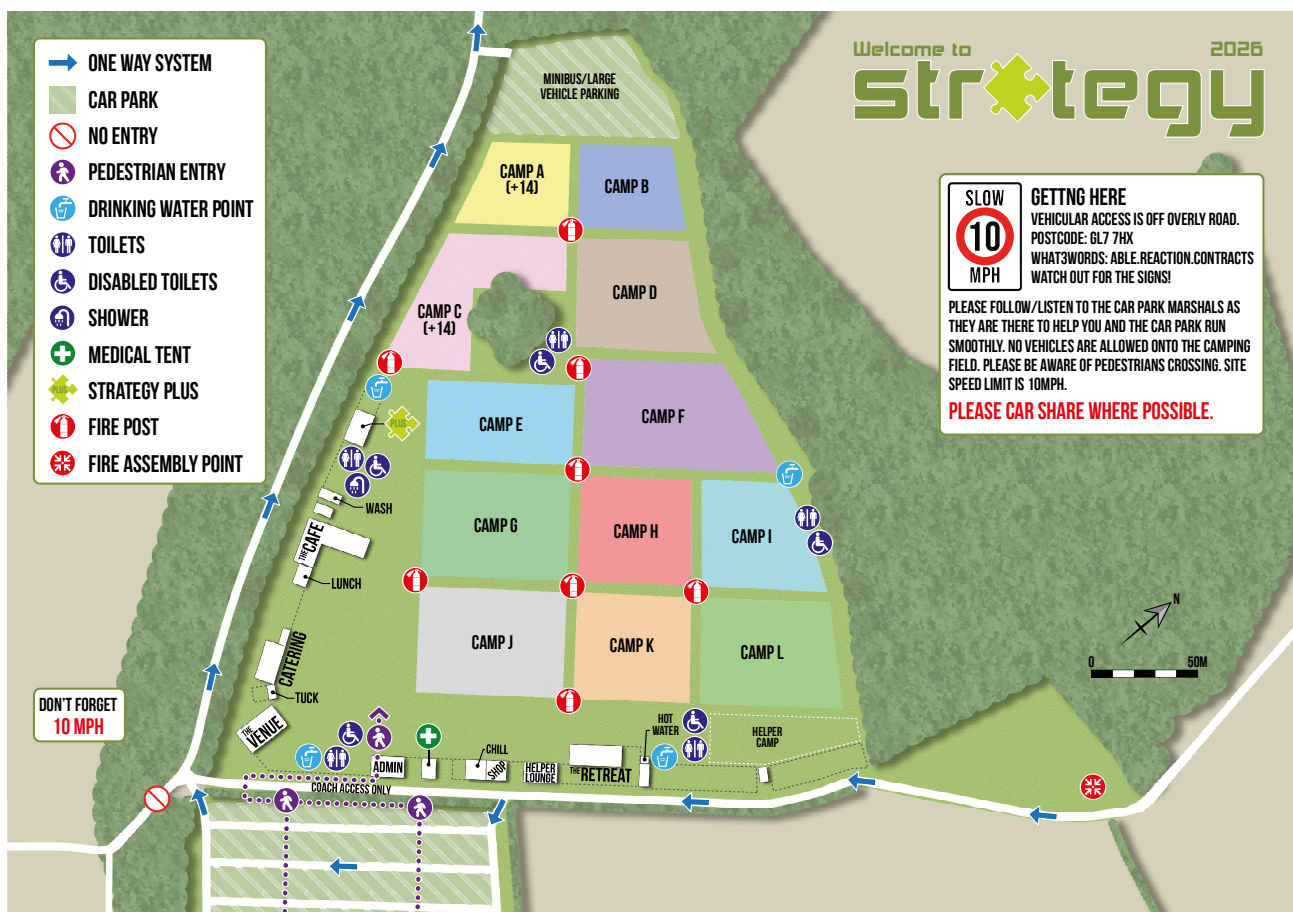

- Open fires
- BBQs
- Stoves
- Gas lights
