

# discover at strategy evolution

What

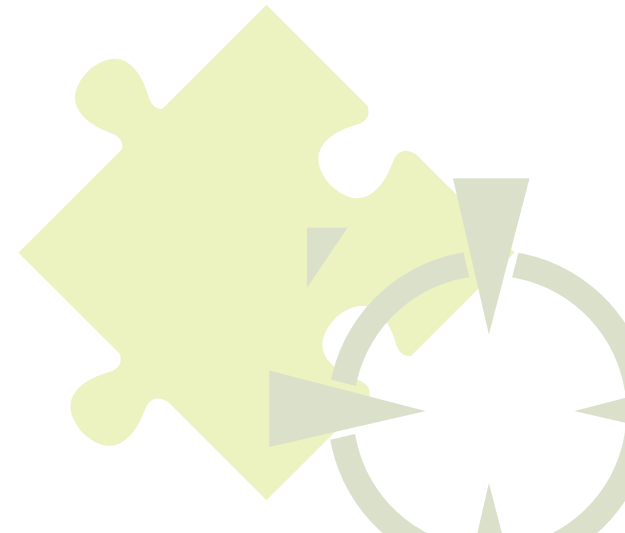

can

you

expect?

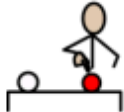

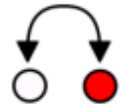

• Everyone will take part in a fun opening

ceremony. There'll be dancing, jokes, singing and more...

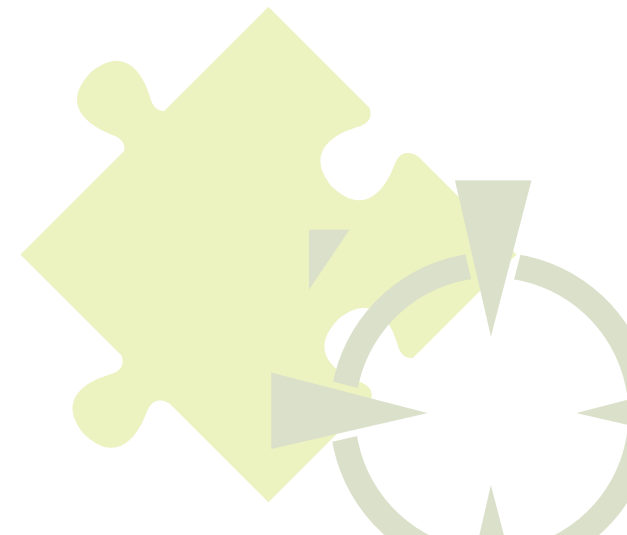

• You will be given a coloured wristband. It's

important you keep this on as it indicates which

group you are in.

          
• All the people in your group will join others

         
in a larger group and will visit each of the four

   
programme zones.

     
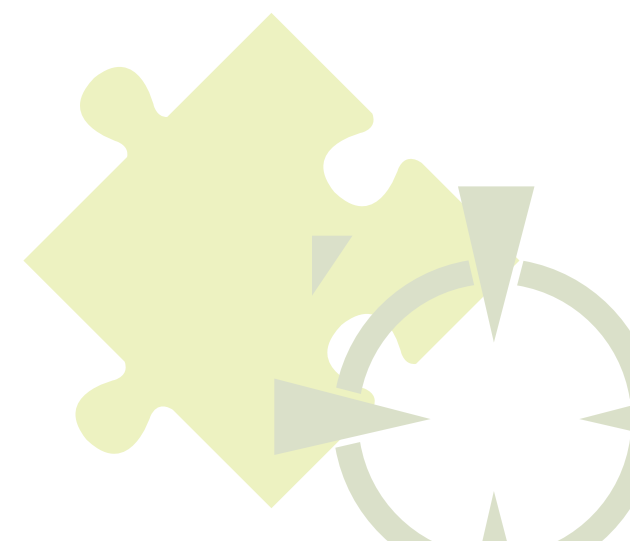

•When a Klaxon / "Bing-bong" sounds, the groups will

       
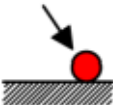

follow someone with a coloured flag to the next

         
(season) zone, this will match the colour on

       
your wristbands. Please don't leave the programme

    
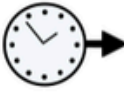

zone until advised.

  123      
• There will be a number of activities in each zone,

 including:  Team  games,  Individual  activities (e.g.  learn

 something  new),  Quiet  activities and  crafts.

 • You  will be  given a  challenge  passport for  you to

 fill in as  you  go round. This  will  help  you

 remember  what  activities  you  have  done, and  what

 badge  requirements  you  have fulfilled.

        
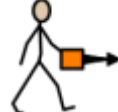

• There will be an adult at every activity to support

         
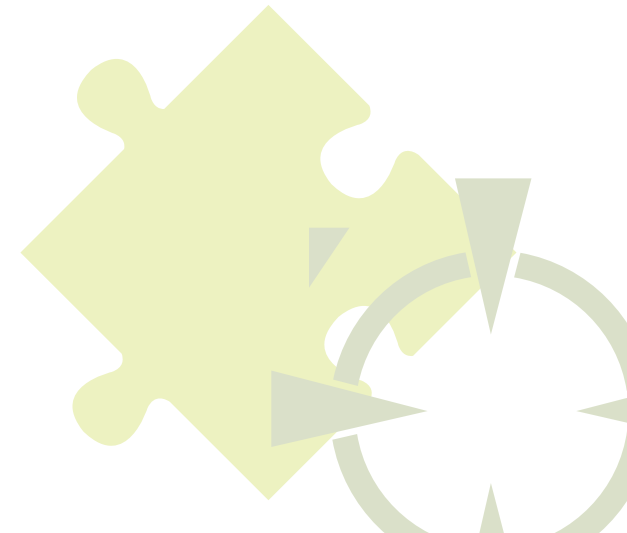

and you will be with your leaders all day.

     
• At lunchtime, you

        
will be able to sit around the arena and enjoy the

        
fun while eating your packed lunch. Please take

    
your rubbish home.

• In the event of wet weather some activities may

not be available, and many will move indoors.

• There is a (staffed) chill tent available if you are

feeling overwhelmed and need a quiet moment.

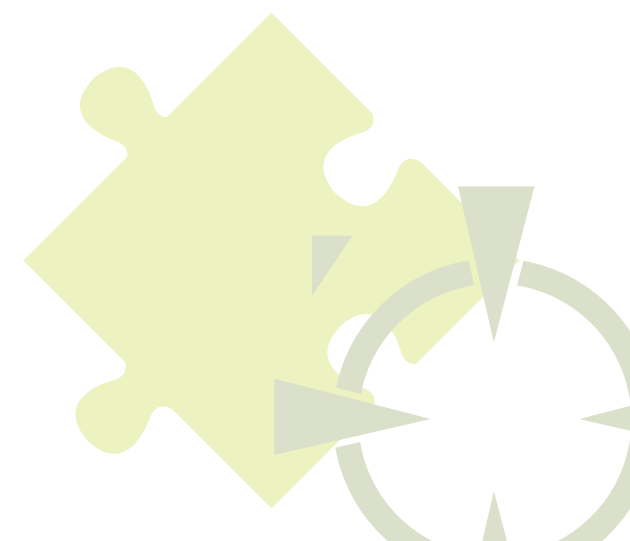

• There is a shop, tuck shop and cafe on site. Bring

small change in a named purse/wallet, if you would

like to visit.

•The toilets on site are portaloos. We ask that

you stay in a group and with your leader when going to the toilets.

•If you need any help, please talk to your leaders

first. If you cannot find them, you should speak to

an adult wearing a hi-vis vest or a yellow necker.
